

## Do You Depend on Life-Support Equipment?

*We Need to Know!*

City of Burlington occasionally will have power outages, either planned or uncontrolled. The police department needs to know the names and locations of citizens who depend on life-support equipment. It is important that this information be current and accurate. We will make every effort to give priority to restore service or provide alternatives to citizens on life-support systems. If you or a member of your family depends on life-support equipment, please fill out the following form and mail it to us quickly as possible. All information will remain confidential and will only be used by the police department in an emergency to contact you.
